2020 PARADE IS SATURDAY MARCH 14, 2020

The Ancient Order of Hibernians, Division 16 , a non-profit organization was formed on September 13, 1891 consisting of men of Irish descent and practicing Roman Catholics living in the Northern Westchester area. The division has a long and distinguished history of serving different community groups in the area as well as hosting northern Westchester County's annual St. Patrick's Day Parade in Mount Kisco, New York. The annual parade results in a positive image for Northern Westchester and benefits area businesses in Mount Kisco. Membership is also available for the Ladies Ancient Order of Hibernians.
